Subject: DBA Wage Determination
Sauget LF, Site G
Delivery Order No. 5001-05-368

Dear Mr. Koentop:

Your letter dated June 21, 1995, identified the DBA rates to be used on a portion of the construction work being completed under the subject delivery order. Namely, landfill backfilling and capping operations. The use of General Wage Decision No. IL940017 is correct and the DBA wages and categories stated in your letter should apply.

Your supplemental correspondence anticipated that these DBA activities would exceed \$25,000.00, and therefore, be subject to the Performance and Payment Bond requirements of the Miller Act. Please submit the required bonding documentation to this office.

If you have questions or require additional information, you may contact me at (312) 886-5865 or Lisa Smith at (312) 886-6876.

Sincerely yours,

Robert J. Dumelle
